**What are the
campaign
reporting
requirements?¹⁴**

North Carolina law requires financial disclosure of all political activities, *even when the candidate spends only personal funds*. The time of filing of these reports, and the types of reports will vary by the type of campaign. Every candidate is legally responsible for his or her compliance with campaign reporting laws.

The treasurer of every campaign committee is required by law to receive training in campaign finance reports and law. Since candidates are also required to comply with campaign finance law, it is highly recommended that candidates obtain the training as well. This **mandatory campaign finance training** is available online or in-person at numerous training sessions offered by this agency. Please contact Jason Schrader, at 919/814-0733 or Terry Harris at 919/814-0741.

IMPORTANT: You must file an organizational report with the Campaign Finance Disclosure section of this agency within ten days of becoming a candidate. You “become a candidate” when you file the notice of candidacy form.

HOWEVER, you may also become a candidate and trigger the requirement to file the organizational report much earlier by spending money or receiving money (or goods or services) in support of your candidacy. In such a case, you would have ten days from the first receipt of funds (or goods or services) or ten days from your first expenditure, including expenditure of personal funds.

For further information about this report and other campaign finance requirements, please call the main line for this agency, 919/814-0700, and ask to speak with someone from the Disclosure section of this agency.

9
**Disclosure of
economic
interest is also
required.¹⁵**

The State Government Ethics Act requires that candidates for an office covered by the Act file a Statement of Economic Interest with the State Board of Elections and Ethics Enforcement. **An individual seeking to qualify as an unaffiliated candidate must file the Statement of Economic Interest within three days of filing the petition.** Please see information that discusses the requirements at this link: [Statement of Economic Interest \(SEI\)](#).

For more information about the SEI, please contact the [North Carolina State Ethics Commission](#).

¹⁴ Campaign Reporting: [prev. § 163-278.9]; text currently available online under [§ 163A-1418](#).

¹⁵ Statement of Economic Interest: [prev. § 138A-22]; text currently available online under [§ 163A-187](#). For more information, please call (919) 814-3600 and ask to speak to Ethics Commission staff regarding Statement of Economic Interest requirements.
